

Make Better Use of Empty Panel Space with JAC Glove Boxes

JA70-005 / JA72-006 Glove Box Series Data Sheet

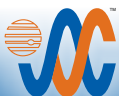

JA70-005 Dzus Rail Glove Box

Reduce clutter with the JA70-005. JAC glove boxes provide convenient temporary storage locations for your phone, keys, etc. The interior of the glove box has a soft, high friction finish to minimize noise and movement due to vibration.

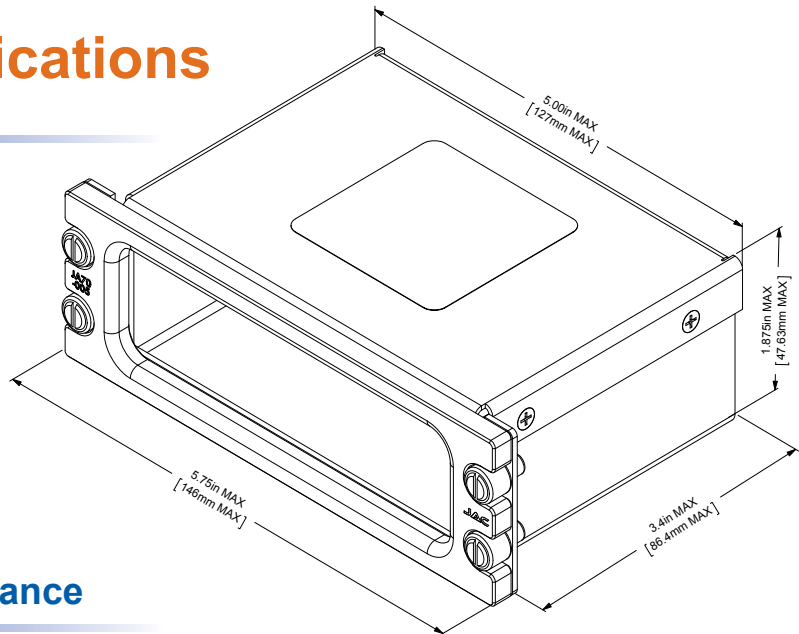

JA72-006 Dzus Rail Glove Box with USB Charger

Charge your phone, play some music and keep organized with the JA72-006. The JA72-006 includes a USB 2.0 Type A receptacle with a power supply (5 Volt, up to 2 Amp) that can be used to charge portable devices. A 3.5 mm jack socket is also provided to enable music players to be connected to the aircraft audio system.
